Coverage

Coverage will be provided contiguously from the start time to the end time. The subjects may take breaks (for wardrobe changes, etc), but the photographer is not required to stay late. If there is a location switch to a site that is further than 5-10 minutes from the original site, then arrangements can be discussed beforehand.

Retainer and Cost of Portrait Photography

A non-refundable retainer fee of 50% of the package cost is due with the signed contract. No date is reserved until a retainer is received. The retainer shall be applied towards the total cost of the service to be rendered. The balance of the complete package price must be paid before or on the day of the event. If final payment is not received, the Photographer will not be expected to attend said event. In the event of cancellation, the retainer paid is non-refundable. It shall be liquidated for damages to the Photographer in the event of a cancellation, or breach of contract by the subjects. Subjects are responsible for all location fees and permits; for shoots outside of North Seattle, a [travel fee](#) will apply to cover my time and expenses.

Payment can be made via Zelle (202-908-8403), with cash, or with a check to Naomi Johnson. I have PayPal and Venmo, but those both charge me fees.

Cancellation and Rescheduling

There shall be **no** refund of retainer after the signing of the Agreement and the reservation of the photography date. Once a balance is paid, it is **non-refundable**. In the event of the subject suffering from illness (COVID-19 or otherwise) or the Photographer will do her best to reschedule. All requests to cancel or reschedule must be in writing and should be signed and dated.
